Blurb:

I care about visual style, pacing and above all else the economy of storytelling.

I'm a cinephile with a well read knowledge of international genre cinema from the mid 1960's to the present. As an editor I'm experienced in straight drama, comedy, horror and action.

Before finding my 'true calling' as an editor, I worked as a video shop clerk and a projectionist. Then after further education, in the camera department as 2nd AC and then a DIT / colourist. I've also directed shorts and produced a feature so, I'm comfortable calling myself a filmmaker; this helps me understand and respect the needs and expectations of other people in the cutting room.

Additional information:

Fluent: AVID Media Composer & Adobe Premiere

Expert: digital work-flow, technical troubleshooting and edit suite maintenance

Experienced: editing in a foreign language, second unit direction, directing a second editor

Extras: willing to travel anywhere, drivers license, in-home cutting room, in-home screening room

Education: BA (Hons) Film Studies, Edinburgh.
